- L0021
- L0022
- L0023

Fresh and sinuous, the Catifa 46 by Arper offers an original and assured aesthetic. Featuring a polypropylene shell, in either single or two tone colour, or unique double curved plywood, the Catifa 46 suits many environments.

A fully upholstered model featuring the distinctive line stitch detail is available in fabric or leather, as is a front face upholstery option, where the texture of fabric or leather on the front combines with the gloss polypropylene of the shells back.

The mild steel frame is finished to bright chrome, stainless steel or house powdercoat. All versions are available with or without arms.

Lead time

Selected models carried in stock. Locally upholstered items carry a six week lead time. Timber shells carry a lead time up to 14 weeks. Please check for current availability prior to ordering.

Certification

ISO 14001
GECA
