# Saya Chair

Designed by Lieve Altherr Molina

Creating a striking silhouette with its fluid lines yet offering warmth in its material, the Saya chair by Arper creates a bold statement. Comprising a beech plywood core shell and four leg frame with a stained Oak veneer finish, Saya is available in 4 timber stains and three shades of red to permit a variable yet cohesive combination.

A chromed steel four leg frame or stackable sled base frame are also available.

**Warranty**  
7 year structural warranty

**Lead time**  
14 weeks

**Certification**  
GECA
